Penama 61 schools
Sanma 88 schools
Shefa 79 schools
Tafea 72 schools
Torba 23 schools

52, 192 students
2123 teachers

VUV21 million
distributed

32 schools
monitored (8%)

Achievements

- Led by government
- Used government systems
- Aligned to the national COVID-19 plan
- Complemented school grants funded by the Government of Australia

Challenges

- Difficulty communicating with schools about the grant

Learning

- Embed activities within divisional plans
- Strengthen communications with officers and schools
- Conduct simulated emergency to test plans and processes

Rating

Relevance	High
Efficacy	Highly satisfactory
Efficiency	Substantial

Thank you to the Global Partnership for Education and its donors for improving the resilience of the education system to ensure continuity of learning.
