

# **QUARTER THREE SUMMARY REPORT ACCORDING TO THE TRAFFIC LIGHTS DESCRIPTION**

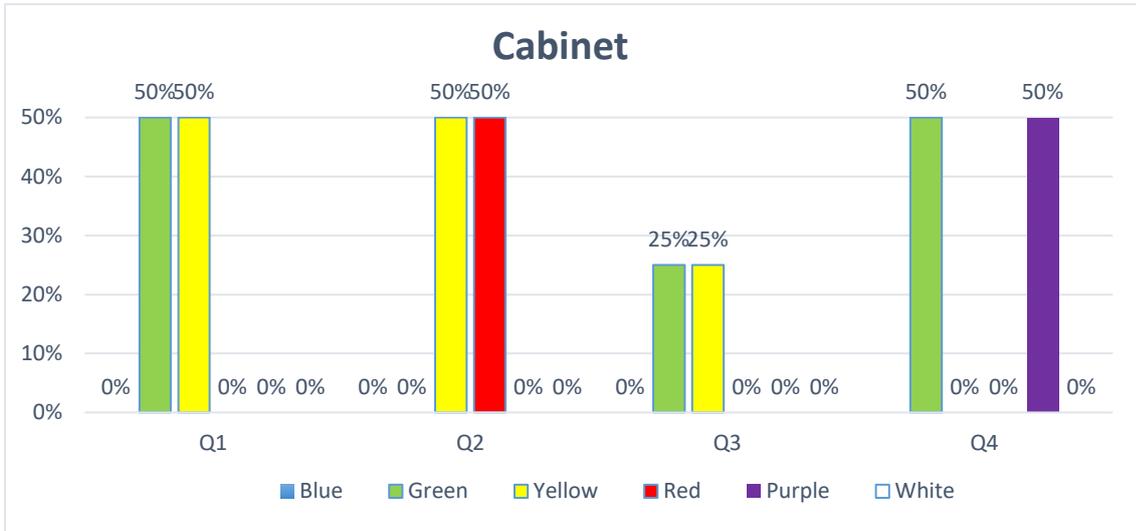

## 1. Summary

We appreciate all efforts and commitments made towards the achievements and progresses in our quarter 4 progress report. We have experience challenge's, which side tracks our focus to our 2021 MoET Business plan. However, this summary report will identify the status of each directorate's activities implementation stages. Please, familiarise yourself with the traffic light description, before going through your directorate's summary graph. Remember according to the Traffic light descriptions, the logic is, colour coded **Blue, Green** and **purple** are positive indicators, which throughout the year, we will have to increase in percentage. The percentage we need to decrease is **Red** and **yellow** colour.

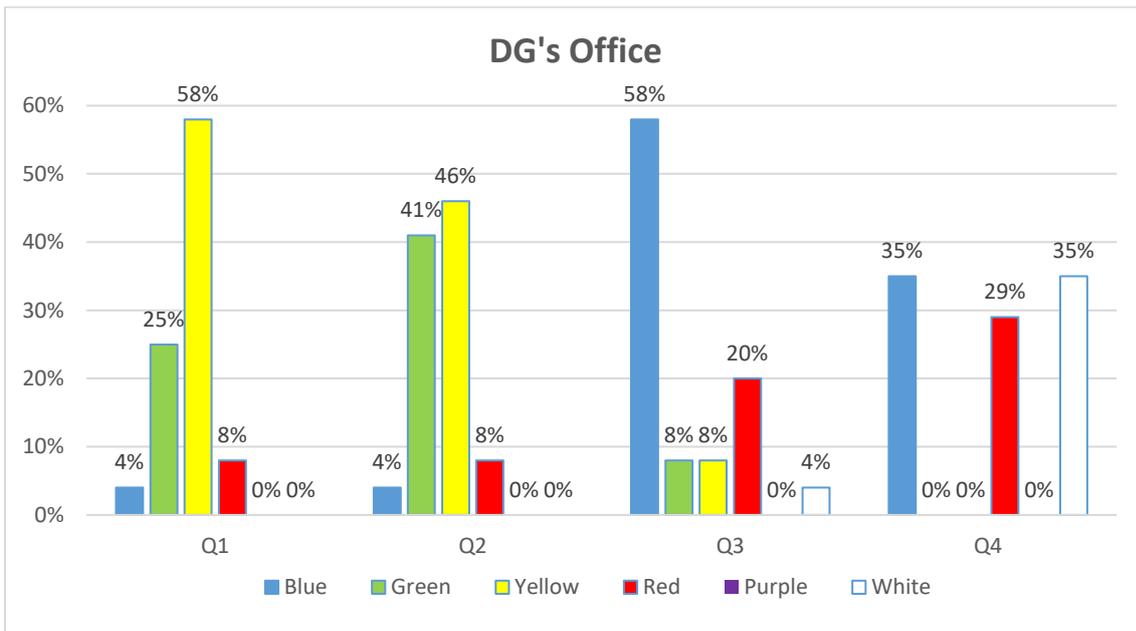

### Traffic Light Descriptions

Traffic light	Description
Blue	The Key Performance Indicator (KPI) has been achieved
Green	There is solid progress against agreed KPI. The KPI is more than likely to be achieved within the timeframe of 2021 BP
Yellow	The KPI is progressing, but some issues need to be addressed. Likely the KPI will be achieved
Red	The KPI is facing challenges and may not be able to be achieved unless circumstances change, or action is taken
Purple	The KPI is recurring and/or ongoing
White	The KPI has not given any progress updates
