98 ECCE centres

Sanma
40 ECCE
Centres

Malampa
49 ECCE
Centres

Malampa
9 ECCE
Centres

1,974 students
120 teachers

Achievements

- Led by government
- Used government systems
- Aligned to the national recovery plan
- Coordinated with other donors
- No duplication
- Exceeded targets
- Accessible versions for children with disabilities

Challenges

- Overstretched procurement systems
- Slow supply chains due to COVID-19
- Communicating with schools and parents

Learning

- Use the grant agent's procurement systems for rapid emergency needs
- Explore pooled funds for recovery
- Invest in communication to officers, teachers and parents

Rating

Relevance	High
Efficacy	High
Efficiency	Substantial

Thank you to the Global Partnership for Education and its donors for helping our schools recover, rebuild and learn again.
Build back better.
